

2015th Anniversary

BIG BEERS

Belgians & Barleywines

===== FESTIVAL

January 8th - 10th | Vail, Colorado

PROGRAM

Our Organizational Mission

The Vail Valley Charitable Fund helps people who live and work in Eagle County who have overwhelming financial needs due to medical crisis.

A Brief History

Formed in 1996 as a Colorado 501(c) (3) non-profit organization the Vail Valley Charitable Fund has assisted nearly 1,000 individuals and families and raised and dispersed more than \$5 million dollars.

The Vail Valley Charitable Fund gives direct aid grants, and can serve as a platform for fundraising events. The organization facilitates and assists with fundraisers when the financial need is greater than a direct aid grant can address. Grassroots community support has been crucial to the VVCF's fundraising success.

For more information see vvcf.net, email: info@vvcf.org, or write to PO Box 2307 Edwards, CO 81632 or call (970) 926.9795.

AC GOLDEN
BREWING COMPANY

Dark Kriek

A blend of two barrel aged sour beers. A darker burgundy sour blended with a golden sour. This beer was then aged on 500 pounds of fresh Palisade sweet and sour cherries. Dark red and 5.5% ABV

Barrel Aged Imperial Stout

A strong stout aged in a blend of fresh whiskey barrels. Both Kentucky Bourbon and Colorado Malt Whiskey barrels were used in the blend. Beer was aged in the barrels for 8 months to 2 years. 13.5% ABV

Scotch Barrel Aged Barleywine

Notes of burnt sugar and amaretto mend with very light smoke from the barrel. 11.5% ABV

Alaskan Brewing Company

Juneau, AK

ALASKAN
BREWING CO.

Double Black IPA

The aroma of Alaskan Double Black IPA consists of fresh, citrus notes from Northwest hops and the heavy, dry bouquet of roasted grains. Brewed with an array of dark malts, Alaskan Double Black IPA features the distinctive flavors of coffee and bitter chocolate with a subtle toasted sweetness. Large hop additions late in the boil, and dry-hopping after fermentation, lighten and refresh the overall perception and flavor of the beer. It finishes with a dry palate and lingering warmth and bitterness. 8.5% ABV

Barley Wine

Alaskan Barley Wine is a full bodied ale, deep mahogany in color and brewed with an array of complementing malts to achieve its high original gravity. Multiple hop additions in the boil and dry hopping during fermentation provide contrast to the big malt character resulting in the smooth balance that distinguishes this specialty brew. Like many fine wines, Alaskan Barley Wine may be aged in the bottle and gains deeper malt complexity and smoothness over time. 10.7% ABV

Imperial Red

Alaskan Imperial Red is a full-bodied deep mahogany ale with ruby red highlights. Citrus notes of chamomile, grapefruit and Meyer lemon brighten the aroma. A zesty array of hop flavors from mango and bitter orange to green mint and hibiscus meld with the nutty, roasted caramel and subtle dried fruit flavors of the complex malt profile to create a surprisingly fresh, yet warming example of the style. 8.5% ABV

Antwerpse Brouw Compagnie NV

SEEF

Seef is hard to describe. It's effervescent, full-bodied, nicely finished. It has fruity, wheat beer-like notes in the nose and palate, but it also has a beguiling earthiness. Moderate hops nevertheless leave Seef dry and moreish, easy to enjoy. Do I taste Brettanomyces? Is it sour? Not really, but sort of... 6.5% ABV

Allagash Brewing Company

Portland, ME

www.allagash.com

Fluxus 2014 Ale

2014 Fluxus is pale yellow in color with honey and spruce notes throughout the flavor and aroma. The honey and spruce strike a balance that allow both to express themselves, while a pleasant malt character keeps either from taking over. The finish of this medium bodied ale is long and warming. This beer was a collaboration project between Allagash controller and Master Beekeeper, Erin Forbes and Allagash lab and sensory guru Karl Arnberg.

Tripel Belgian Style

This strong golden ale is marked by passion fruit and herbal notes in the aroma, with suggestions of banana and honey in the complex palate. The Tripel has a remarkably long and smooth finish. 9% ABV

Curieux Bourbon Barrel Aged Strong Ale

Allagash Curieux was our first foray into barrel aging. Curieux is made by aging our Tripel Ale in Jim Beam bourbon barrels for eight weeks in our cold cellars. The aged beer is then blended back with a portion of fresh Tripel. The resulting beer is soft with coconut and vanilla notes, with hints of bourbon. 11% ABV

Interlude Farmhouse Ale aged in Wine Barrels

Two yeast strains were used to create this unique 9.5% ABV Belgian style ale. The first, a Belgian farmhouse yeast, establishes the flavor foundations of a classic Belgian-style ale. The second, a house strain of Brettanomyces yeast, brings it to the next level contributing an intriguing myriad of flavors including pear, apricot, graham cracker, and bread crust. Finally, a portion of the Interlude is aged in red wine barrels, which impart a distinctive vinous plum character and a drying, almost tannic finish. 9.5% ABV

White: Belgian Style Witbier

Our interpretation of a traditional Belgian wheat beer. Brewed with a generous portion of wheat and spiced with coriander and Curacao orange peel, this beer is fruity, refreshing and slightly cloudy in appearance. 5% ABV

Saison: Belgian Farmhouse

Allagash Saison is our interpretation of a classic Belgian farmhouse style. It is a golden hued beer, brewed with a 2-Row blend, malted rye, oats and dark Belgian candi sugar. Saison is hopped with Tettnang, Bravo and Cascade hops. Fermented with a traditional saison yeast strain, Saison exhibits notes of spice and tropical fruit in the aroma. Citrus and a peppery spice dominate the flavor and make way for a pleasant malt character. Saison is full bodied with a remarkably dry finish. 6.1% ABV

Dubbel Belgian Style

Allagash Dubbel boasts a deep red color and a complex malty taste. The finish is dry with subtle hints of chocolate and nuts. The yeast asserts itself by lending a classic Belgian fruitiness. 7% ABV

Brauerei Ayinger

Germany

www.merchantduvin.com

Celebrator Doppelbock

A rich, dark elixir with cascading layers of malt complexity balanced by elegant hops. Notes of toffee, caramel, elegant dark-malt roastiness, and pure malt. Pinpoint conditioning and semi-dry finish. 24 IBUs, 7.2% ABV

Aspen Brewing Company

Aspen, CO

www.aspenbrewingco.com

10th Mountain Imperial Stout

Paying tribute to the brave men who pioneered the ski industry following their service in World War II, our 10th Mountain Imperial Stout is an imperial version of the traditional English oatmeal stout. A decadent beer worthy of sipping by the fire or sharing with friends. 87 IBUs, 9.3 % ABV

Double Conundrum Imperial Red

This fresh hop imperial red ale was inspired by the bounty of Colorado's burgeoning hop growing scene. We took a local favorite—Conundrum Red Ale—shifted into high gear and packed it with fresh cascade hops creating a beer that lets the beautiful aroma and flavor of the fresh hops shine. 77 IBUS, 8.6% ABV

Belgian Farmhouse Saison

A traditional Belgian farmhouse Saison brewed in celebration of long days and spring sunshine. Pilsner malt, curacao orange peel, Kent Golding Hops and special farmhouse yeast produce this straw colored hoppy beer. 43 IBUs, 7% ABV

Voodoo Vator Doppelbock

Voodoo Vator-Intense Malt richness with sweetness from caramel malt and a crisp nuttiness from Munich malt. Balanced acidity and hoppiness. Conditioned for almost two months to help integrate the alcohol with the intense malt roast. Finishes deceptively clean considering the high alcohol. 9.5% ABV

VJBlack Imperial Stout w/Vanilla & Dark Roast Coffee

2014 VJ Black-Imperial Stout version of our Flagship VJP using the same Vanilla and Dark Roast coffee. Grain bill consists 6 different malts and barley flakes. Addition of Magnum Hops adds the necessary alpha acids without throwing too much hop aroma that gives the beer balance. Notes of Chocolate, Espresso, Mocha and Star Anise on both the palate and aroma. 11.2% ABV

Hop-A-peel IPA

HopApeel-American IPA brewed with Chinook, Centennial, Apollo and Falconers Flight. Chinook brings forth a piney spice character. The Centennial accentuates the bitter citrus on the palate. Apollo and Falconers add both the alpha acids and big body aroma that flesh out the 118 IBUs of this beer. We add the orange zest to balance all that hop bitterness and mesh with the citrus character already present. 7.7% ABV

BBA Blueberry Cobbler

2014 Bourbon Barrel Aged Blueberry Cobbler Ale-American Stout brewed with Michigan Blueberries. It's the malt bill that gives this beer its distinct baked cobbler crust flavors. Nose is heavy with blueberries but you don't taste them until the finish. First release to be aged in Bourbon Barrels imparting a nice vanilla tone and sweet booziness that complements the fruit component. Original 8.6% ABV

Backcountry Brewery

Frisco, CO

Breakfast Stout

A sessionable milk stout brewed with coffee to create the Mocha version of beer.

You Still Haven't Heard

Wort from a Belgian Dubbel recipe inoculated with several different organisms and fermented in a spent wine barrel to create an extremely unique beer.

Tart SaizIn

Our Imperial Saison aged in Rombauer Red Zinfandel barrels for 18 months and inoculated with Lactobacillus and Pediococcus.

Baere Brewing Company

Denver, CO

www.baerebrewing.com

Baere-liner Weisse

This is our take on the tart, low-alcohol Berliner Style Weisse. Malted barley and malted wheat form the base with a touch of sterling hops added to the mash. We harvest and culture wild lactobacillus (and other beasties?) in apple juice and add yeast to do the legwork. With a clean lacto tartness and a low ABV of 3.1% ABV, this beer is very sessionable. Try it "Mit Schuss" (with syrup) or on its own.

Big Hoppy Brown

This is our amped up version of the American Brown Ale. While the 47 IBUs aren't in your face, they provide the necessary balance for a very drinkable beer weighing in at 8.8% ABV. Cascade and Northern brewer hops with 2-row, red wheat, crystal, chocolate, and aromatic malt may change your perception of brown ales.

BREWERY

The Bakers' Brewery

Silverthorne, CO

Prickly Peach

Brewed with Kannah Creek out in Grand Junction. It is a Belgian Strong Ale with a beautiful reddish orange hue, a earthy-herbal flavor of prickly pear cactus and eucalyptus leaves and the mildly fruity sweet finish of Palisade peaches with a hint of allspice. Yummy and 8.5% ABV

Clown Town Brown Porter

Brewed with Shine Brewing & Gathering. An imperial chocolate malted porter with 4 levels of chocolate malts that was fermented on toasted oak chips and fresh toasted organic pecans. Like a candy bar in a glass that'll whoop your ass at 9.7% ABV

Hypnos Imperial Stout

Imperial Stout tasting of coffee and chocolate, 10.0% ABV, 60 IBUs

Juniperus Imperial IPA

Barrel-Aged in Agave-based Gin Barrel. Imperial IPA dry hopped with Blue Juniper Berries and Glacier hops, 10.2 ABV, 97 IBUs

Avery Brewing Company

The Reverend

Belgian-Style Quadrupel Ale. Our brewers included as many authentic imported Belgian specialty malts as they could, making this the perfect beer for folks who love malty beers and are ready to take the next step. A divinely complex and beautifully layered beer with hints of dark cherries, currants, and molasses, complimented by an underlying spiciness. Sinfully smooth considering the high alcohol content. 24 IBUs, 10% ABV

Hog Heaven

Dry-Hopped Barleywine Style Ale. This dangerously drinkable garnet beauty is a hop lover's delight. The intense dry-hop nose and the alcohol content are perfectly balanced for a caramel candy-like malt backbone. This is a serious beer for serious beer aficionados. 104 IBUs, 9.2% ABV

The Beast

Grand Cru. The Beast is a seducer – accomodating, complicated, powerful, dark and created to last the ages. With a deep burgundy color and aromas of honey, nutmeg, mandarin orange and pineapple, this massive and challenging brew has flavors akin to a beautiful Carribean rum. Dates, plums, raisins and molasses are dominant in a rich vinous texture. Cellarable for 10+ years. 63 IBUs, 16.1% ABV

Mephistopheles' Imperial Stout

Mephistopheles is the crafty shape shifter, the second fallen angel. Amazingly complex, coal black, velvety and liqueurish, this demon has a bouquet of vine-ripened grapes, anise and chocolate covered cherries with flavors of rum-soaked caramelized dark fruits and a double espresso finish. Cellarable for 10+ years. 80 IBUs, 15.92 % ABV

Samael's

Oak-Aged Ale. Samaels is a super-caramelly, oak-aged English-style strong ale. Perhaps the least hoppy (sacrilege here at Avery!) beer we've brewed, to accentuate the malt. The oak is very apparent in this rich and high gravity ale, adding additional depth and complexity with a woody and cask-like nose and a pronounced vanilla flavor on the palate. With the addition of a more roasted malt in 2007, Samaels now delivers subtle bitterness to add balance to the natural sweetness. Cellarable for 10+ years. 41 IBUs, 14.2% ABV

Rumpkin

Rum-Barrel Aged Pumpkin Ale. We wondered what would happen if a monstrous pumpkin ale, plump full of spicy gourdyness, were aged in fine fresh rum barrels to add suggestions of delicate oak and candied molasses. Rumpkin is what happened! This first member of the Annual Barrel-Aged Series was brewed with roasted pumpkins from a local Boulder County farm, and spiced with nutmeg, cinnamon, and ginger. 16.73% ABV

Pump[kY]n

Imperial Pumpkin Porter aged in Bourbon Barrels. Our newest release in our Annual Barrel-Aged Series, this Imperial Porter is brewed with pumpkin and spices, was aged in fresh Kentucky Bourbon Barrels for 4 months. 17.22% ABV.

The Maharaja

Imperial IPA . Maharaja is derived from the sanskrit words mahat, meaning "great", and rajan, meaning "king". Much like its namesake, this imperial IPA is regal, intense and mighty. With hops and malts as his servants, he rules both with a heavy hand. The Maharaja flaunts his authority over a deranged amount of hops: tangy, vibrant and pungent along with an insane amount of malted barley – fashioning a dark amber hue and exquisite malt essence. Welcome to his kingdom! 102 IBUs, 10-12% ABV

Salvation 
Belgian Golden Ale. Luscious apricot and peach aromas are delicately interwoven with spicy suggestions of nutmeg and cinnamon in this heavenly soft, champagne-like elixir. 33 IBUs, 9.0% ABV

The Czar Imperial Stout 
Behold the stunning crimson hues through the inky blackness. Inhale the noble Hallertau hops, spicy and floral. Savor the flavors redolent of English toffee, rich mocha, sweet molasses, candied currants and a hint of anise. We highly recommend cellaring additional bottles, as the Czar will continue to mature and become denser and more complex with age. 55 IBUs, 10-12% ABV

Tweak 
Bourbon barrel-aged stout with coffee added. Our very own Parker, of the cartoon cat loving variety, created this cult classic character back in our 17th season. Appearing in several episodes under another stage name that was deemed inappropriate, our executive producers and editors decided that a name change and further character development – a 4-month hiatus in bourbon barrels – were necessary to satisfy our more ardent and demanding viewers.

Triporteur from Heaven 
Is a heavily hopped beer using 4 home-baked BOM malts. The wheat malt in the unfiltered beer can produce a light cloudiness. He uses Belgian dark and white candy sugar and uses 3 aromatic hops and 3 dry hopping. 6.2% ABV

Triporteur from Hell 
A dark beer brewed with 4 hellish burned and roasted BOM malts. The beer reminds us of chocolate, caramel, recently brewed coffee, and freshly baked bread. He uses Belgian dark cane sugar and 2 different hops. 6.66% ABV

Blue Spruce Brewing Company

Centennial, CO

Poncha Pass Pecan Brown

A smooth sweet brown ale with a dark complexity of specialty malts. This beer delights the tastebuds and finishes with a caramel, nutty, toffee sweetness that resembles a pecan pie. 8.5% ABV

Whiskey Creek Porter

Barrel-aged whiskey porter. 8% ABV

Beezelbub

A golden, complex strong Belgian style Ale with a beautiful white head. This beer has a great marriage of fruity flavors and sweetness due to the 50 lbs of Belgian Candy Sugar added in the boil. 9.5% ABV

Black Bottle Brewery

Ft. Collins, CO

Angry Elf

American Strong Ale brewed with brown sugar, maple syrup, honey, molasses, corn sugar, Saigon cinnamon and aged in barrels cut with raspberries.

Mom the Meatloaf

Sour Ale blended with non-Sour Ale. Sour Carlos blended with fresh Carlos, duh...almost as good as your mom's meatloaf. Love you mom.

Liquid Metal

Imperial Rye Stout. This beer hates you and always will...Drinks like the worst heavy metal band you ever heard. Sorry...

World of Beer's Big Beers Big Beer

This beer is a Collaboration with World of Beer (Lodo, Cherry Creek, and Belmar locations specifically) and Black Bottle Brewery. It uses HBC 342 experimental hop in the kettle and dry hop and San Diego super yeast finished with champagne yeast. 15% ABV

Black Shirt Brewing Company

Denver, CO

2012 Imperial Red Rye Stout

Hearty, full-bodied, and rich. Silky texture with warming alcohol. Maple, caramel, and toffee notes dominate the nose and palate, with subtle notes of dark fruits, anise, and a hint of spice from the rye. Extended aging has made this hefty beer rounded, supple, and silky smooth! 45 IBUs, 9.5% ABV

2014 Guava Red Saison

Orange and tangerine aroma with a hint of pear, apricot, coriander, clove, and black pepper on the palate. The fruitiness from the hops compliments the spicy, earthy yeast characteristics, and is further accentuated by the addition of fresh guava puree. The beer finishes snappy and dry and is very refreshing! 34 IBUs, 8.14% ABV

2014 Red Evelyn Imperial Red Rye IPA

This beer is brewed once a year to honor and celebrate the life of our Grandma Evie! The nuances in the beer all stem from memories of her. Notes of caramel and toffee, rye, Colorado wildflowers, foxtail pine, grapefruit, and other bright and vibrant citrus tones dominate the nose and palate gracefully. Incredibly elegant, layered, and complex! 93 IBUs, 9.32% ABV

Bonfire Brewing Company

Eagle, CO

www.artisanalimports.com

Tripel Karmeliet

Brewed with three grains (oats, wheat and barley) and moderately hopped, Tripel Karmeliet is slightly sweet, malty and spicy on the palate, with tones of coriander and white pepper. On the nose it's coriander and a very mild hop resin note mingling with a full, fruity nose that fades to a beautiful honeyish aroma. 8.4% ABV

Boulder Beer Company

Boulder, CO

www.boulderbeer.com

Killer Penguin

Brewed in very small quantities once a year, we anxiously await Killer Penguin's return every November. Its dark garnet red color and candied-fruit like aroma get your mouth watering before taking a sip! Around 10% alcohol by volume, Killer Penguin is a big barleywine that comes across very smooth and extremely balanced. 60 IBUs, 10% ABV

MoJo Rising

In a moment of creative chaos, we decided to take our one and only MoJo IPA to the next level, resulting in MoJo Risin' Double IPA. Brewed with more than a half-ton of extra malt and twice the amount of Amarillo hops, MoJo Risin' is a citrusy, deliciously smooth Double IPA at 10% alcohol by volume. 80 IBUs, 10% ABV

The Scourge of the Dude

Aged for one year in first-use bourbon barrels, The Scourge of the Dude is Boulder Beer's second barrel-aged beer released in a bottle and their most rare packaged offering with only eight barrels in existence. It began as a lighter-bodied English-style Barleywine with undertones of candied fruit, then over time evolved into something much more complex with the fusion of bourbon, vanilla and oak flavors from the barrel. 60 IBUs, 12.3% ABV

Boulevard Brewing Company

Kansas City, MO

www.boulevard.com

Bourbon Barrel Quad

Based loosely on the Smokestack Series' The Sixth Glass, this abbey-style quadrupel is separated into a number of oak bourbon barrels where it ages for varying lengths of time, some for up to three years. Cherries are added to make up for the "angel's share" of beer lost during barrel aging. Selected barrels are then blended for optimum flavor. The resulting beer retains only very subtle cherry characteristics, with toffee and vanilla notes coming to the fore. 26 IBUs, 11.8% ABV

Saison-Brett

Saison-Brett, based on our very popular Tank 7, is assertively dry hopped, then bottle conditioned with various yeasts, including Brettanomyces, a wild strain that imparts a distinctive earthy quality. Though this farmhouse ale was given three months of bottle age prior to release, further cellaring will continue to enhance the "Brett" character, if that's what you're after. 38 IBUs, 8.5% ABV

Love-Child #4

Boulevard's Love Child Series of "wild" ales are barrel-aged with such boisterous cultures as Lactobacillus and Brettanomyces. These wayward offspring can prove so complex that we employ gauges on the label to convey the intensity of three key personality traits, Funk, Sour, and Fruit, presenting a picture of the ale at the time it was released. It will change as it ages, but don't we all? Oak barrels were used to age the majority of beer used for Love Child No. 4 — with beer aged from 16 months to nearly six years. Another portion of the beer spent 11 months in stainless tanks, souring on Lactobacillus. While very tart, the sourness is short-lived and the beer finishes dry with a trace of oak. 8 IBUs, 9% ABV

Petrus Aged Pale

Aged? Many beers have a long maturation, but this one has only 24-36 months in oak barrels. Pale? This beer has an old gold to bronze color, rather than the burgundy more common in the breweries of West Flanders. This is the 'mother beer', used in various quantities to blend with the other Petrus beers, and to give them their unique and very distinctive taste. This mother beer is rather sour with a bite like the best Brut Champagnes. A connoisseur's delight! The only one of its kind on the US market.

Barleywine #2

Burgundy with gold hues with a ripe black cherry, hints of oak and faint alcohol aroma. This barleywine is rich and full-bodied with notes of red stone fruit, mulling spices and oak.

Regal Pilsner

A double Pilsner with distinct hoppy attributes and a pronounced malty backbone. It is strong in character and steadfast in its resolve to provide maximum drinking pleasure. All hail our Brewmaster and the fruits of his labor, Regal Pilsner! 45 IBUs, 7.7% ABV

72 Imperial

Brewed with chocolate from Colorado's very own Rocky Mountain Chocolate Factory, Inc., this Imperial Chocolate Cream Stout is full of rich, toasted chocolate notes with hints of dark fruit. 72 Imperial will take you where you need to go. Just sit back and enjoy the ride. 11 IBUs, 7.2% ABV

Amputator
Amber in color and floral to the nose. We decided to keep IBUs within a range so the drinker will not be overpowered by bitterness. This makes it taste like a more sessionable beer, but at 7.2% ABV one shouldn't drink more than a couple to be responsible. This recipe was created for last year's event.

Saison
Our Saison is as old-world as it gets. We use 100% Colorado ingredients: Colorado water, malted and raw barley and wheat, Crystal hops and a yeast blend of saison yeast, brettanomyces and lactobacillus. We ferment the beer in custom-made open oak barrel fermenters. After this rustic primary fermentation, the beer goes to other barrels for further aging and flavor development. The result is a citrusy, dry, tart and effervescent beer worthy of sharing. 5.5% ABV

East Bank
We brewed a slightly higher gravity farmhouse ale made with fresh Glenwood Springs honey. 100% Colorado ingredients were used: malted barley, malted wheat, raw wheat and barley. Fermented in our open oak fermenters with our house farmhouse yeast. 6.5% ABV

Toaster Bat Black
Dark, mysterious, smoky, in your face. Yup, that pretty much describes Toaster Bat Black Smoked Robust Porter. Our highest gravity brew at 8.5% ABV is made to bring back memories of camping trips. Toaster Bat Black has the right amount of smoked and peated malts to balance out the malty smoothness of the porter base style. Pitch black in color and pours with a chocolate colored head, Toaster Bat Black will intrigue your senses and take you to places unexplored. One drink and you'll think you just saw a bat get shot out of a toaster. 26 IBUs, 8.5% ABV

Card Your Mom Saison
We created an amazing farmhouse style saison with the addition of cardamom seeds in the boil complete with an aroma filled with everything that embodies a great saison plus the exotic flavors of cardamom. Known as the "mother of all spices", cardamom incorporates lemon, mint, pepper, and floral notes. The addition of orange peel and coriander adds to the palate! Perhaps the most complex saison you've ever had, we won't be offended when you ask to card your mom. 25 IBUs, 6.9% ABV

2013 Barrel-aged Stupid Imperial Stout

This deep, dark, viscous brew stands up to other imperial stouts, delivering big flavors in a smooth, balanced and easy-drinking package. Robust and chocolaty with a hint of hop freshness, it's the perfect beer to warm up with as winter cold sets in. 42 IBUs, 10% ABV

2013 Barrel-aged Old Scallywag Barley Wine

An American/English hybrid barley wine. For the base malt character, this beer utilizes British Crystal 77 and Dark British Crystal 150, with just a touch of English Chocolate malt for color. Then we use Nugget, Columbus, and Chinook hops in the dry hop process to bring out the American taste – and a dose of Willamette to bring out the English character of the beer. After maturation, the beer is then aged in Oak Bourbon Barrels, that bring in flavors of vanilla, coconut, and a nice shot of bourbon whiskey character. 11.4% ABV

Idiot Imperial IPA

It doesn't take a genius to know quality West Coast IPA's require a stupid amount of hops. A generous blend of Nugget hops and the four C's – Cascade, Centennial, Chinook and Columbus – brings forth a myriad of tropical fruit flavors and a brawny, persistent bitterness that makes for a highly intelligent brew. 90 IBUs, 8.5% ABV

Well Bred

An English Style Barleywine significantly less hoppy than American Style, ruby in color with lavish hints of vanilla, caramel, coconut and earthy wood undertones from being aged for months in Breckenridge Distillery Bourbon Barrels. Pairs well with English Stilton, Braised Lamb, peppercorn crusted fillet, figs and prosciutto. 72 IBUs, 10.7% ABV

Snowed In

A smooth Imperial Oatmeal Stout brewed with locally sourced coffee from Pablo's Coffee in Denver. Rich cacao nibs adding slight bitterness, and aged in Bourbon Barrels from High West Distillery in Utah. Pairs well with buttermilk ham biscuits, aged gouda cheese, crème brûlée and dark chocolate truffles. Named Top Beers of 2013 by the Denver Post. 78 IBUs, 12.1% ABV

Mexican Chocolate Stout

A rich black ale made with Cassia Cinnamon, raw cacao nibs and three different kinds of Mexican chili peppers to add hints of smoke flavors and mild heat in the back of the throat. Based on Mexican Hot Chocolate and Gold Medal Winner at Great American Beer Festival in the herb and spice category. Pairs well with Belgian waffles, smoked brisket, mole and peach crepes. 50 IBUs, 7% ABV

Lawyers, Guns & Money Barleywine

This beer is a celebration of our anniversary as well as one of our favorite songs. We use an assortment of crystal malts and throw a little molasses into the Brew Kettle to give a hearty maltiness. Dry hopping with American Hops gives this English style a refreshing American twist. Be cautious with this beer as overindulgence can result in the shit hitting the fan. 80 IBUs, 10% ABV

Sangre de Diablo Imperial Red Ale

The recipe for this creation spent three years in the development process. It combines a creative American hop varietal, a blend of two separate Belgian yeast strains propagated together to combine and enhance their respective flavor profiles and a select list of European malts. An intense array of fruit forward aromas spring from the glass while a deep and complex swirl of flavors dance from the front of the palate to the back. The English translation for this beer is "Blood of the Devil", an apt description for the complexity and soul of this beer. 44 IBUs, 9.1% ABV

Old Soul Strong Belgian Golden Ale

A healthy amount of wheat gives this beer a very smooth mouth feel that is accompanied by a fruity yeast character. Belgian candy contributes to this beer's light body and complex flavor. European hops team up with Juniper berries to offer a soft, subtle spiciness. 25 IBUs, 7.5% ABV

Envoy

This is a fairly traditional representation of where - stylistically - robust Imperial Stouts originated. Pete moss-smoked malt adds a layer of complexity to an already intricate malt flavor, combining sweet chocolate and rich caramel tones with a deep roasted character. Dry hopping with Noble hops rounds out this deeply stratified beer. This brew can be enjoyed today or will age well for several years to come. 50 IBUs, 9% ABV

Rolland Jr. India Brown Ale

This collaboration beer between Crazy Mountain Brewing Company and Flying Dog has a similar malt profile to it's big brother Rolland, but more traditional to style in alcohol content for a brown ale. The centennial hops were brewed similar to an india pale ale, heavier and more citrus forward creating less of a balance to the malt. 30 IBUs, 6% ABV

5th Anniversary

This special release is a tribute to the blood, sweat and the many tears that have gone into the first Five years of the Crazy Mountain Brewing Family. This celebratory ale showcases a grain bill that is equal parts barley from Scotland, Belgium and America- contributing to its smooth finish. Palisade hops added late in the boil impart a hint of apricot on the nose. This beer will cellar for several years to come but it is also ready to be opened for your next special occasion/ nice night at home. We hope that this special release puts into flavors the passion, devotion and love so many people have put in over the last Five years. Here's to Five more! 45 IBUs, 9.5% ABV

Reinart Wild

In 1996 highly regarded brewing engineer and professor, Dirk Naudts created De Proef Brouwerij in the village of Lochristi, near the historic city of Ghent, Belgium. The ultra-scientific brewery blends modern equipment and technologies with traditional brewing methods. Beers are produced on one of three brewing systems, matched to volume and desired flavor profile. It's like a Wonka for beer! Michael Jackson once described De Proef as "the ultimate toy for the aspiring home brewer".

Guanabara Imperial Stout

Made with black rapadura sugar, a rough-and-ready form of cane sugar. It adds a treacly, molasses note to this stupendous Imperial Stout. Brewed with Colorado's deft touch, Guanabara is splendidly integrated in overall flavor: hops, malt, sugar all come into balance with roasted notes, gentle bitterness and a nose redolent of figs, pomegranate syrup and a high note of resiny hops. 10% ABV

Bertho

Straffe Hendrik Quadruple

Straffe Hendrik Quadruple is a rich and intense dark Belgian ale. It is brewed with a subtle blend of specialty malts, which give the ale an extremely dark color and a chewy, malty complex character. The quadruple combines a clean dryness with a warm full bodied mouth feel and essences of fruit. Secondary fermentation in the bottle creates a living ale that can be aged and will have an evolution of taste profiles over time. It is brewed by the last active brewery in the historical city of Bruges. The town archives first mention the brewery in 1546. Since 1856, the famous brewing family Maes-Vanneste has owned the brewery. 11% ABV

The Dissident 2012

The Dissident is an Oud Bruin; a distinctive Flanders-style sour brown ale, with a heavenly aroma and flavor. Our first wild yeast beer, we use Brettanomyces and local cherries to give The Dissident its characteristic sour taste. Our stiffest brewing challenge, it must be fermented in isolation from our other beers. The words coddled and "worth it", come to mind. Barrel Aging: Pinot Noir and Cabernet barrels. 18 IBUs, 11.4% ABV

The Abyss 2009

A deep, dark Imperial Stout, The Abyss has almost immeasurable depth and complexity. Hints of molasses, licorice and other alluring flavors make it something not just to quaff, but contemplate. As for the great "drink it now or let it age" debate, the flavors meld and fuse into an entirely different pleasure a year on. Barrel Aging: Bourbon, Pinot Noir and New Oregon Oak. 86 IBUs, 11% ABV

Whiskey Barrel-aged Double Brown Ale

This winter warmer is a double strength English Brown ale with a nutty, caramel backbone and pronounced, earthy bitterness. Dry Dock Double Brown is aged in whiskey barrels, adding depth to its toasted flavor with a hint of chocolate and notes of walnut and plum. 30 IBUs, 8% ABV

Whiskey Barrel-aged Double Coffee Porter

Cold brewed coffee was added to Dry Dock's Naked Porter, which was aged in whiskey barrels to create this complex beer. Double Coffee Porter smells of roasted coffee and oak staves, with hints of dark chocolate and nuttiness to taste. This beer's creamy body comes from the addition of flaked barley. 20 IBUs, 9.3% ABV

Whiskey Barrel-aged Double Vanilla Porter

Dry Dock's classic Vanilla Porter recipe, amplified. This beer has a dark chocolate essence with hints of dark fruit and subtle smoke. Big-bodied and creamy, Double Vanilla Porter is a strong ale that takes on whiskey and oak aromas from the barrels it ages in and finishes surprisingly dry for a beer of its brawn. 20 IBUs, 9.3% ABV

Brasserie Dubuisson

Scaldis

In 1933, when British ales were all the fashion in Belgium, Alfred Dubuisson (Hugues' grandfather) created a Belgian beer in the English barleywine style. He called his beer Bush, the translation of the family name. The recipe has remained unchanged for 79 years, longer than any other Belgian beer. It is hard to believe that Scaldis is 12% ABV. Beers this strong are generally quite heavy and sweet. Scaldis by contrast is quite dry with a pleasant nutty finish. Remarkably, Scaldis achieves its strength entirely through fermentation—without evaporating or freezing water to concentrate alcohol. Three different malts go into Scaldis, making it a beer with as much nuance as potency. Woodsy, toasty, sherry nose, with caramel, toffee, candied pineapple and prune notes. 12% ABV

Scaldis Pêche Mel

What do you get when you brew a slightly lighter version of classic Scaldis and add peach juice? A deliciously drinkable beer with a heady aroma of peach, a well-balanced malt character, and a surprisingly dry finish. Based on a favorite drink made by students that combined peach Lambic and classic Scaldis, Pêche Mel redefines what a beer with fruit can taste like. Even if you are not crazy about fruit beer, try it. We think you will appreciate what the Dubuisson has done. A fruit beer with big taste and out of this world peach aroma. Pêche Mel's Dubuisson signature yeast gives it a peppery kick and keeps it from being too sweet. A unique beer that pours a deep russet color and forms an absolutely gorgeous rocky head. Think of it as the moscato of the beer world. 7.5% ABV

Brasserie Dupont

Belgium

Saison Dupont

Saison Dupont is a world classic beer and the yardstick for one of Belgium's most important beer styles. It is the most admired AND imitated Saison in the world. The Saison style was pioneered by farms in Wallonie, the grain-growing region of Belgium. Traditionally beers were made during harvest to make use of excess grain. But before refrigeration, beers were hard to keep and the typical method of preservation was higher alcohol and sugar. This made for a heavy beer not very thirst quenching or suitable for hard labor. Golden, spritzy, quenching Saisons were the answer. They were strong enough to keep (4–6.5%) and very well attenuated so excess sugar could not go sour or create unwanted re-fermentations. A strong, vital yeast is key to full attenuation and thus to the style and why Dupont's role in its popularization has been central. Starting in the late 1800s and continuing till the present day, Dupont has helped neighboring farms and brewers by selling them yeast and providing lab services! Saison Dupont is a wonderful straw color with a dense creamy head. The nose is alive, like fresh raised bread, estery with citrus and spice notes. Full-bodied and malty, it sparkles on the palate and finishes with a zesty hop and citrus attack. Incredibly compatible with food! 6.5% ABV

Big Bad Baptist Imperial Stout

This year's first release of Big Bad Baptist features Salt Lake City's Charming Beard Coffee. The Guatemala roast has a strong presence in the nose but is mellow and smooth without the typical roasted bitterness of previous releases. This allows the cocoa to shine through as well as the bourbon and oak. Release #31 is very well balanced, complex and perhaps too smooth.

Eternal Consequences Imperial Black Saison

Eternal Consequences is a robust, earthy saison with complex notes of pepper, licorice and juniper. The subtle roasted character of the beer opens into chocolate and prune with a smooth, slick, body that hides its strength well. This beer is best studied with small sips as different flavors interact and crescendo.

4-year old Barleywine

The first sip of this brilliant, red-brown beer reveals a robust mouth feel and complex flavors including raisin, dark bread, some sherry flavors sure to increase with age. With the finish comes the flavor of Columbus hops followed by the alcohol warmth that can be felt down your throat.

Bourbon Barrel Aged Oatmeal Stout Velvet Merkin is our decadent Oatmeal Stout lovingly aged in Bourbon barrels. Beautiful chocolate, espresso and vanilla-bourbon aromas hold your nose hostage. Rich dark chocolate truffle, bourbon and espresso create a dangerously smooth and incredibly drinkable barrel aged Oatmeal Stout. Hoarding tendencies may occur. 33 IBUs, 8.5% ABV

XVI Anniversary- Barrel Aged Blend

XVI is 42% stout with Velvet Merkin, Parabola and "PNC" working together as three roasty toasty friends that create rich cacao, chocolate and mocha flavors together. "PNC" also introduces tequila barrels into our blend for the first time and brings some interesting south of the boarder spirit notes to the mix – a welcome twist. Helldorado, with flavors of lavender honey liqueur was again a favorite of the winemakers and made the cut adding some flowery notes. DDBA continues to deliver its signature American toasted oak, English caramel toffee and light leather nuances. DDBA was also release on its own in 2012 and is now established as a solid annual brew. Stickee Monkee is fast becoming one of our favorite pieces with its rich maple syrup, spicy cinnamon, and ripe fig flavors which has developed into a bolder cousin of perennial blend component Bravo who carries barrel character and bourbon notes like no other. The additional twist this year is Wookey Jack, Black Rye IPA with its wily citrusy hop notes and spicy rye backbone. The finished blend is unfiltered and unfinned, so there will be a small amount of sediment in the bottom of the bottle. 36 IBUs, 13% ABV

Black Project #2 - Jumpseat

The second release from our side-venture, Black Project Spontaneous Ales. This beer is a modern take on the traditional sour beers of Belgium. When we made Black Project #1 - Flyby (2014 GABF Bronze Medal in Experimental - Wild Ale), we intentionally left about 30% of the beer behind (and thus maintained the completely wild coolship collected microflora). We then brewed a completely different recipe and added it to the remaining beer (without adding any other yeast) in a modified solera system. The result is light in color and body and features delicate but extremely varied complexity created by this mixed fermentation. A skilled taster will notice notes of tropical fruit, a controlled but assertive acidity, subdued malt character, and layers of other flavors continuing to appear as the glass is consumed.

Putin on the Fritz

Big, bold, and yet deceptively smooth. This 12.7% Imperial Stout is both fermented and aged in premium straight bourbon whiskey barrels. Barrel fermentation allows this beer to extract a maximum amount of complex barrel character. Putin has a wonderful malty, dark chocolate flavor with minimal roasted, burned, or coffee character - the result is a beer that is very complex and drinks much more easily than the ABV indicates. 12.7% ABV

Putin on Le Pitz

We took our Russian Imperial Stout, Putin on the Fritz and fermented it with a strain of Belgian abbey yeast (Le) and then add an extended aging with cherries (Pitz). The cherry and traditional Belgian yeast flavors work wonderfully together with the very bold and dark style of beer.

Twin Ruby

Our version of a Flanders Red Sour Ale, created from blending two barrels - a split batch. One was fermented from day one with two of our house Brettanomyces strains, Lactobacillus and Pediococcus. The other was fermented first with our clean, house ale yeast and then souring microbes we added later. Together these beers combine to form a very complex and sour beer that is deep red in color. Tart cherry, subdued malt complexity, and a bright acidic finish are flavors to look for in this beer. 7.2% ABV

Full Sail 27th Anniversary Wheat Wine

In 2010 when we invested in a mash filter for our brewery, the goals were clear: superb quality, high efficiency, water savings, and overall sustainability. A side benefit of mash filtration technology is that it allows the use of a more varied grain bill than a standard lauter tun. We've taken advantage of this to brew something different to commemorate our 27th year of brewing: a beer brewed with 100% wheat malt. Full Sail 27th Anniversary Wheat Wine is brewed in the Barleywine style, but contains no barley malt. A rich golden hue, "27" is brewed with Wheat and CaraWheat Malts and hopped with a blend of UK and NW hops. Complex aromas of apricot, spice, and citrus lead to a smooth palate, blended with notes of caramel, marmalade, and green hop overtones. 53.5 IBUs, 9.5% ABV

Full Sail 2014 Bourbon Barrel Aged Imperial Stout

Our Bourbon Barrel Aged Imperial Stout was brewed in December of 2012 and was carefully aged for a year in Kentucky Bourbon casks from Maker's Mark, Four Roses and Heaven Hill. This extended aging presents hints of vanilla and allows the Stout to pick up the flavors of the wood, bourbon and oak. The aging combined with the robust character of the Imperial Stout make for an extraordinary and wonderful taste experience. It has a strong roasted malt character and a full body. Chocolate and caramel nuances blend with the hops for a smooth Imperial Stout. It cellars well. Available February 2014 until it's gone! 40 IBUs, 9.84% ABV

20th Anniversary

This Belgian-style Ale is a golden example of our traditional bold character, but with a little something special to commemorate this milestone. Fermented with Viognier grape juice, 20th Anniversary is both delicate and assertive. Big without being brutish, cunning without being cloying, this is a grown-up beer for a big-time celebration. 8.2% ABV

Peach Grand Cru

Peach Grand Cru is Great Divide's newest limited offering. Brewed with Colorado fruit picked right at the peak of ripeness, this Belgian-style ale marries two of our home state's well-known offerings: great beer and fresh Palisade peaches. Both sophisticated and balanced, this extraordinary, aromatic ale was born to be savored beyond the orchard. 12% ABV

Orabelle

ORABELLE is brewed with barley, wheat, oats, and rye. This Belgian-Style Tripel is a golden beauty. Its two yeast strains, orange peel and dash of coriander impart surprising complexity and richness to this delicate ale. Don't let Orabelle's demure nature fool you; this is one flavorful pour. Watch out, she's a charmer – one sip and you'll be in love. 8.3% ABV

Trout Hop Black IPA

Trout Hop Black IPA is a spicy and bold American-Style India Black Ale, with notes of fresh pine needles and spruce tips. Brewed with Idaho 2-Row Brewers' Malt and German specialty malts, this ale has a deep rich color and roasted finish but is not as thick as some malty brews. Hopped with Zeus, Chinook, Galena, and Cascades from Idaho, as well as Simcoes, the resulting bitterness is bold and intense, the aroma piney and zesty.

Barrel Aged Belgian Golden Ale

A slight red hue has been imparted by the red wine creating a golden orange color. There is a mild haze but not concerning. The oak is very apparent and dominates the aroma. Very obviously grape on the nose with hints of caramel and strong vanilla. Oak is very present too. Complex balance of light fruit like grapes on the front of the palette transitioning to dark fruits such as plums and raisins to end the flavor. Slight, calm tart flavor balanced by a tannic harshness from the wood. 38.2% Aged in Neutral French Oak Barrels. 36.6% Aged in Jackson Hole Winery 2012 "Dry Creek" Cab. Sav. 3rd Ring Belgian Strong

The third ring of hell is the ring of gluttony. This ale is big and high in alcohol. Don't fall into the third ring by overindulgence. Light in color and body yet big on the Belgian flavor with slight fruity notes and plenty of residual sweetness from the candi sugar added late in the boil. Even though the beer has a high ABV, a traditional Belgian yeast was used and we aged the beer for just the right duration so it doesn't taste or feel "hot."

American Barley Wine

The alcohol is definitely present as it warms you up a bit, perfect for lunch while skiing or enjoying on a brisk evening. The hop flavor and aroma is present but not over powering and the finish is malty and smooth. Bittering hop was Summit and finished with Centennial. 120 IBUs, 10.1% ABV

Gouden Carolus Tripel

In spite of modern brewing technology, this beer is brewed according to ancient traditions. It unites, now as in the past, the best products of our soil: rich barley and fine hops.. It's refined character, with a pure and rich taste, will captivate you. It is matured at length in cellar and bottle, and is guaranteed to be brewed only from pale malts. It is traditionally top-fermented and is 100% pure. The Gouden Carolus Triple has a unique colour and a full flavour due to its well-balanced hopping. 9% ABV

Gouden Carolus Cuvee van de Keizer Blauw

Every year on the 24th of February, the birthday of "Charles the fifth", the Brewery brews the Gouden Carolus "Cuvee of the Emperor" in a limited quantity and with an eye on the highest quality and tradition. This unique brewing, with only extra fine Belgian hops and with a higher alcohol level, guarantees a better evolution in the time, than the already known Gouden Carolus. This beer, as all our beers, is 100 % natural, with no preservatives, no adjuncts and no chemicals. 11% ABV

Blackberry Barley Wine

The darker the berry, the sweeter the barley wine—that's what we thought when brewing our newest Lips of Faith release, the first barley wine in New Belgium history. Blackberry Barley Wine channels the elegant spirit of a classic English barley wine, but with a kiss of blackberry to elevate the sip beyond convention. A deep wash of caramelized sugar and toasted bread, courtesy of Caramel Munich malts, adopts subtle laces of floral, fruity berries for a pairing as proper as sipping snifters beside a crackling fireplace. Warming, rich and complex, curl up to a pour of Blackberry Barley Wine this winter and toast to the finer things in life. 50 IBUS, 12% ABV

Salted Belgian Chocolate Stout

This collaboration with Perennial Artisan Ales pairs two favorites: chocolate and beer. Dessert is best poured. And the brewers at Perennial agree. So for our next Lips of Faith release we dreamt up a beer that would bring together chocolate sweetness, Belgian yeast, deeply roasted malts and just the right shake of salt to pour a creamy stout worthy of a cherry on top.

Trippel

Our Trippel Belgian Style Ale (pronounced triple) opens with a bold blast of hops that slowly gives way to the fruity esters implied by our Belgian yeast strain. In the Belgian tradition of brewing singles, doubles and triples, Trippel is the strongest with the longest fermentation. Remarkably smooth and complex, our bottle-conditioned Trippel is spiced with a trace of coriander.

Over the past year, we've collected empty Fernet Barrels from our friends at Leopold Bros. Distillery. Their distinct Fernet includes lavender, honeysuckle, ginger root, bitter aloe, dandelion root, rose petals, chamomile, and pepper. Inspired by the herb & spice flavors of this dark minty liqueur, we promptly filled the barrels with a rich porter. The roasty chocolate malt character is infused with hints of mint and licorice from the herb-soaked oak, creating a decadent flavor and aroma. 9.8%ABV

Friek '14 Kriek Lambic

FRIEK is an evolution, an imaginative amalgamation invented by our brewers. Multiple KRIEK Lambic style ales are fermented with WILD yeast and TART cherries and then moved into OAK BARRELS to age and sour taking on the CHERRY flavors. As the beer matures, FRAMBOISES (raspberries) from Schroyer Family Farms in Fort Collins are handpicked and readied for the beer. The fresh RASPBERRIES are added immediately prior to the final blending. The sweet and tart flavors MINGLE on the tongue with a sparkling dry finish. 6.5% ABV

Woodcut #8 Oak-aged Barleywine

We revisit our brewing roots with Woodcut No. 8, a Barleywine style ale aged in virgin oak barrels. The new oak creates a delicate crème brûlée character with hints of toasted coconut, vanilla and turbinado sugar and notes of dried fruit mingle with the rich malt. Each Woodcut offering is a truly limited edition beer with a unique flavor that comes from select hops, fine malted barley, and our brewers' careful aging process. Enjoy. 10.3% ABV

Myrcenary Imperial IPA

Named for Myrcene, a component of essential oils in the hop flower, Myrcenary Double IPA is our tribute to those who revere the illustrious hop, and their unyielding exploit to craft hop forward beers. Brewed with a blend of hops containing the highest levels of Myrcene, this double IPA prevails with a tropical fruit-like flavor, a pungent floral aroma, and a clean getaway. 9.3% ABV

ARTISAN ALES

Abraxas

Abraxas is an Imperial Stout brewed with ancho chili peppers, cacao nibs, vanilla beans, and cinnamon sticks. Pouring deep brown with a thick head, this beer has a complex body with a delicious lingering roastiness. Abraxas is brewed with unique ingredients intended to challenge and excite the palate. Best served in a snifter. Perfect pairings include rich chocolate desserts and spiced braised beef or lab. Available in November each year. 80 IBUs, 10% ABV

Vermilion

Vermilion is a big, rich English style Barleywine that, as its name suggests, has tints of ruby around the edges of its brown body, with a toffee, caramel, toasted pecan sweetness that is kept in balance with a smooth, alcohol warmth, and slightly fruity American hop note. This will be perfect around the fire, with a cigar, with a rich meal, or just while cozying up and relaxing with family and friends this season. Best served in a snifter. Perfect pairings include Stilton cheese, game meats such as boar or venison, and foie gras. Available December-January each year. 60 IBUs, 10.5% ABV

VanderGhinste Oud Bruin

A regional classic. A traditionally brewed Flanders brown ale is blended with 18-month old lambic to create this tart, refreshing, medium-bodied benchmark ale. Reddish-amber with a tan head, hints of tart fruit and an underlying light lambic sourness dominate the nose. The palate has apple and raisiny fruit notes offset by a touch of brown ale caramel sweetness and a toasty-woody finish with a light touch of hops. 13 IBUs, 5.5% ABV

End Of The Beginning, Vol. II

This is our second year releasing our year end barrel-aged sour ale master blend. This complex straw colored brew has aromas of tart fruit, white grapes, and light toast oak. Crisp refined sourness and pilsen malt quickly give way to flavors of woody vanilla and earthy funk. Nuanced and sophisticated, this mature ale is an homage to the art of beer blending. 8.5% ABV

Skully #21

Sour brown ale brewed with raspberries, A.K.A. Osa Frambuesa. We've paired our sour brown ale with vibrant red raspberries to create a sweet, tart and fruity beer. Our house Brettanomyces and souring bacterial blend adds a hint of danger to keep things on the wild side. Venture down the hidden path for something uncommon and well worth the risk. 8.5% ABV

In The Spirit Of Skully #2

This unique award winning sour mash ale has the distinctive nose of an expertly hand-crafted bourbon. Brewed with rye, corn and barley malts, the beer is then aged for over 1 year in Bourbon barrels to add familiar flavors of vanilla and oak. This complex offering is a slow sipper to savor, swirl, and share with friends. 9% ABV

Maduro Robusto

Scotch Barrel-aged Smoky Sour. 40 year old scotch barrels impart heavy oak toast to this sour, smoky, mahogany-colored ale with hues reminiscent of air-cured tobacco. Extended aging on Spanish cedar brings spicy notes that add woody depth to this perfect sipper for the lounge. 10% ABV

Depravity Imperial Peanut Butter Cup Milk Stout

Feed the desire and give into Depravity, an annual brew that causes frenzy to the Renegades. It started as a post-Halloween creation, just months after opening, when surplus peanut butter cups were purchased and put into an experimental stout. When people living 70 miles away started calling this small, new operation to get their hands on a growler or a glass, it was clear that this was more than just a fun experiment. Depravity has become an annual tradition. A limited amount is released on December 31, when a crowd forms to get their first taste of this year's brew. 11% ABV

Berbere Imperial Chocolate Oatmeal Stout with Berbere Spice

Inspired by a unique coffee shop creation, Berbere is a beer that pushes definitional boundaries but is a true example of complementary flavors. Berbere is an Ethiopian spice with prevalent flavors of chili peppers, garlic, ginger, dried basil and native herbs. Smooth, milk chocolate introduces the spectrum of flavors, and a subtle heat on the back of the palate finishes the experience. A Renegade twist on Mexican hot chocolate, this beer is a great addition to a winter menu. 10% ABV

KasteelRouge

The #1 selling beer of Brewery Van Honsebrouck, Kasteel Rouge is created by blending Kasteel Donker with the liquor of cherries used for specialty chocolate and confectionary in Belgium. The union of these two excellent products creates a beer that can be best described as a chocolate covered cheery. The yeast esters lend a spicy character which pulls the entire brew together. A color of deep black cherry lends to strawberry colored foam. Rouge is unique, decadent and sinful like the desserts we cherish and what is life without a little excess? 8% ABV

Kasteel Cuvee de Chateau

Deep inside the cool dark basements of The Castle of Inglemunster, brewery Van Honsebrouck cellars select bottles from their production. The brewery's tasting panel, comprised of distinguished palates of employees and friends, were stunned after opening a particular batch of 10-year-old Kasteel Donker. A beer highly regarded for its ability to develop over time. Donker is 11% ABV and very resilient. The high quality roasted malts take center stage after the inevitable departure of hoppy bitterness over time. 5th generation owner Xavier Van Honsebrouck knew he had discovered the beer that could be considered the apex of his Kasteel line and could live up the beauty and luxury of the castle for which it is named. After many trial batches in partnership with his head brewer they crafted a beer that captured the haunting flavors of their aged treasure. Thus in 2009 Kasteel Cuvee du Chateau was born. Notes of toffee, chicory, anise and burnt sugars marry perfectly with the port-wine-like qualities that developed during aging. A pitch-black color and a silky body make this beer a refined and luxurious drinking experience that luckily you don't have to wait 10 years for. 11% ABV

Duchesse De Bourgogne

Traditional Flemish red ale from Brouwerij Verhaeghe. This refreshing ale is matured in oak casks; smooth with a rich texture and interplay of passion fruit, and chocolate, and a long, dry and acidic finish. After the first and secondary fermentation, the beer goes for maturation into the oak barrels for 18 months. The final product is a blend of younger 8 months old beer with 18 months old beer. The average age of the Duchesse de Bourgogne before being bottled is 12 months. 6% ABV

Guldan Draak

IT IS A LIVING BEER! A dark brown Triple Ale, which makes it an exception among the Belgian Triples. The second fermentation offers the nice creamy head and the full body of the centuries old brewers yeast. It is a beer that you can actually nibble to adventure the complex taste. Gulden Draak balances a natural malt toffee-like sweetness with a mellow hoppiness and some hoppy accents. The aroma is round, sweet and hides the 10.6% ABV. Another name for this type of complex beer is "Barleywine". You sip and enjoy this beer slowly, as a treat you definitely deserve. 10.6% ABV

Piraat Triple IPA

The brewers at brewery Van Steenberge had noticed the trend toward more hoppy beers worldwide and decided to experiment with the world famous Piraat Ale to produce a strong, rounded yet complex brew with defined hop character. The final result is Piraat Triple Hop! Using Piraat as the base offers the brew a full bodied sweet based from the caramelized malt blended with dry characteristics derived from the high levels of alcohol. The brewer then adds four different hops into the brew at three different occasions during the brewing process Hence Triple Hop. The hops pitched are Saaz, Tetra and Aurora twice in the brewhouse and then Cascade is used to dry hop. The four styles of hop deliver a complex character which stands up to the great name of Piraat!

Gulden Draak Brewmaster's Reserve

Brewmaster Jef Versele crafted this exclusive 'Gulden Draak Brewmasters Edition' as a tribute to his grandfather 'Josef Van Steenberge' and the 230th birthday of the brewery. His inspiration came from his numerous trips to the United States and his deepest respect for the Craft Beer Culture. This Exclusive Gulden Draak combines the technology and the craftsmanship of the traditional brewing process. By letting the beer mature on Whiskey Barrels it gives it a distinguished and gentle finish that you have never tasted before. 10.5% ABV

Old Horizontal Barleywine

Massive amounts of barley malts, combined with fresh harvest American hops make it aromatic and spicy on the nose. Floral, fruity aromas slide into honeyed malt depth with lingering sensations of candied and citrus fruit. Late warming alcohol brings all of these flavors into wonderful harmony to finish. 11% ABV

Hop Ranch Imperial IPA

This powerful brew features full, juicy hop character, while expressing notes of mango, pineapple and the pleasantly sharp, biting edges of tart citrus fruit. 9% ABV

Golden Monkey Belgian Trippel

Strong and sensual, this golden Belgian-style ale glows with goodness. The richness of imported malts and Belgian yeast are tempered by a sparkling approach and overall light body. Considerable depth of character with abundant, herbal, fruity notes make this one to savor. 9.5% ABV

Devastator Double Bock

This is a strong, amber lager. It has a fluffy white head with a bready malt aroma and a rich body that leaves you with a warming feeling. This Double Bock style dates back over a century when Monastic brewers knew it as "liquid bread." Beware . . . it's deceptively smooth and delicious. 8% ABV

The Logical Fallacy

This beer challenges the Logical Fallacy that says if a beer is a stout, it can't be hoppy. With 4 generous hop additions of Summit and Northern Brewer, this beer has a technical IBU (International Bittering Unit) of almost 70. However, this hops bill is challenged with the deep smokiness of black patent malt, coffee tones of chocolate malt, and the sweetness of 4lbs/BBL of wild Colorado honey. This is a unique stout that will make you look deep into this beer, and lose yourself in the intricate taste of its oil like blackness. 70 IBUs, 7.5% ABV

Phunk

Strong ale named after a strong woman! Our brewer's dear mother! This recipe is crafted as a tribute to the tradition the monks started in Belgium over a thousand years ago. It includes lots of Munich and Dark Crystal Malt with a shot of Chocolate Malt giving it a deep burgundy color and a heavenly rich caramel taste that literally would bring people to God, or at least to his cathedrals in Europe anyways. In addition, it has enlightening fruity esters from the Belgian yeast as well as divine sweetness from 4lbs/BBL of wild Colorado honey. 30 IBUs, 7.0% ABV

The Big Fallacy

This is the imperial version of The Logical Fallacy. You will definitely get a little more alcohol "heat" than the Logical Fallacy from the larger grain bill assigned to this guy. However, the major difference comes from dry hopping with the funkiness of the Summit hop. This season's Summit crop boasts an Alpha Acid of 17.2%. This plays deliciously with the darker malts and provides a beautifully decadent character to the ale. It's BIG, Dark, and Beautiful!!! 70 IBUs, 8.5% ABV

Oud Bruin

This beer is a blend of a part 'old' beer that laid on wooden barrels (red wine history) for one year and part 'young' beer of top fermentation. We taste for every single barrel in order to become the perfect blend. The aroma is very complex. Among others you will notice green apple, red fruit, brettanomyces and oak. The taste is nice and sour and refreshing. 6.5% ABV

Wals Belo Petroleum

Loaded with cocoa, chocolate and coffee aromas, some roasty notes, vanilla and breadly yeast. Rich and complex. Velvet and smooth mouth feel, with a light carbonation. Slightly hoppy balanced with high alcohol. Dark and rich as the name says. It pours like the essence of night, with no sign of foam. Slowly, bubbles rise from the depths, creating a luscious tan foam collar. 11% ABV

Wals Belo Sao Francisco

Full of dark dried fruit, raisins, caramel and spicy aromas. Medium carbonation with great balance and moderate alcohol. Deep brown color with a toffee cream head. Lacing is thick with sheets of tight bubbles that roll around your glass. 7.5% ABV

Courage Imperial Russian Stout

The original Russian Imperial Stout recipe from the days of Catherine the Great. Imposing and viscous, this stout will improve with age for many years. 10% ABV

Wells Sticky Toffee Pudding Ale

Wells Sticky Toffee Pudding Ale has all the warmth, aromas and appeal of the famous dark pudding from England, with all the traditional qualities and style of a Wells & Young's Beer. It has the rich flavors of caramel and toffee, balanced by English hops. This treat offers full contentment and refreshment in a glass. 5% ABV

Daisy Cutter

The Daisy Cutter is a Belgian-Style Strong Ale. It leaves nothing on the table. We use a gargantuan malt bill to give this beer a beautiful dark amber color and the fermentables it needs to reach it's final ABV of 9.0%. The Belgian yeast strain, which is the same strain used in the Angry Monk, has no problem fermenting all the maltose (fermentable sugars extracted from malted barley) one can throw at it. The result is a very drinkable beer surprisingly light on the palate with the alcohol content deftly hidden. 29 IBUs, 9% ABV

Black Immaculate IPA

Our Black IPA is a showcase for American hop varieties. It is abundantly hopped during the boil with Northern Brewer, Cascade and Columbus varieties. The beer's pungent citrus-like aroma is delivered by a massive quantity of Falconer's Flight hops used for dry-hopping. The color is derived from an English Black Malt, but it does not contain malts commonly used in Stouts, therefore it lacks dry, roasted and baker's chocolate flavors. 85 IBUs, 8.25% ABV

Barrel Aged Old Embalmer Barleywine

For this version of our favorite barleywine, we've aged the beer in Pinot Noir barrels from Patricia Green Cellars, located in Oregon's Willamette Valley, which is regarded worldwide as delivering the highest quality Pinot Noir. The always present sweet caramel, vanilla, and toffee notes of Old Embalmer are accented by tannic and vinous characters from the barrels, as well as a dry finish, all accented by an assertive dose of X-431 hops. 75 IBUs, 10.2% ABV

Barrel Aged O'Ryely IPA

When we brewed O'Ryely IPA earlier this year as part of our Rotator IPA Series, our brewers aged a small amount of the beer in rye whiskey barrels. After four months aging in barrels, Barrel Aged O'Ryely IPA picked up about 3% ABV and has become a deceptively smooth showcase of rye – both from the rye malts used to brew the beer and the character from the rye whiskey barrels. It's the perfect sipper for cooler weather. Prost, to barrel aging! 50 IBUs, 9.2% ABV

Upheaval IPA

Upheaval IPA melds decades of IPA experimentation into a truly unique beer, unleashing a huge hop flavor and aroma with a strong, assertive bitterness and balanced finish. Upheaval is loaded with tropical, resiny hop, citrus and berry flavors and aromas. It's a new dawn for the bold Northwest IPA. Unfiltered. Unexpected. Unapologetic. Uncompromised. 85 IBUs, 7% ABV

This is an Imperial Pumpkin brewed with locally grown pumpkins and choice spices that showcase the perfect balance between slightly sweet maltiness and alcohol warmth. 9.2% ABV

William Scott ish Wee Heavy Traditional Scotch Ale

William has a rich, malty and slightly sweet backbone that blends with smoky and raisin notes. A straightforward sweetness quickly dives into a deeper more complex finish with secondary malt and robust plum notes that provide a depth and character that pair well for this traditional Scottish-style Wee Heavy. 8.2% ABV

Deep Roots Chocolate Porter Robust Porter

Deep Roots is a full bodied robust porter that combines chocolaty malt sweetness with subtle roasted caramel notes. A slight hop bitterness lingers in the finish. 7% ABV

Jean-Claude Van Blond

Belgian Blond Ale. Jean-Claude Van Blond is inspired by the action hero in all of us. The lighter malts give this beer its color and soft grainy flavors. The yeast provides some fresh dough, banana, pineapple and clove aromas to dazzle the senses. Although easy drinking, there is soft and surprising intensity just like the ancient Dim Mak technique. (2014 Bronze World Beer Cup Medal Winner and 2014 Gold GABF Medal Winner for Belgian-Style Blonde Ale or Pale Ale). 30 IBUs, 6.5% ABV

Scotch, Scotch, Scotch Ale

Peat-Forward Strong Scotch Ale. "If it's not Scottish, it's crap!", at least that's what we were thinking when coming up with the recipe. Scotch, Scotch, Scotch Ale is loosely based on the style of a "Strong Scotch Ale". As usual, we wanted to do something a little different, so although very malty, there is a pronounced "scotch" flavor derived from a healthy dose of peated malt, which is barley smoked over burning peat. The initial taste hits you with smoky peat flavors, followed by a rich malty and chocolaty sweetness. Scotch, Scotch, Scotch Ale is a unique drinking experience, intriguingly complex, and looks good next to a burgundy suit. Stay classy Denver. 21 IBUs, 8% ABV

Ugly Sweater

Brown Belgian Winter Ale Brewed with Palm Sugar. Ugly Sweater is a random mixture of things that appear to be working together in some kind of plan. Loosely based on an English brown ale recipe, we throw in some knick knacks like roasted pumpkin seeds, palm sugar, and peace on earth. Its rich caramel maltiness is like drinking a Sugar Daddy® and the roasted pumpkin seeds create a creamy nutty texture. Thanks to a Belgian yeast strain, the huge cinnamon and clove notes come through and balance the sweetness, creating a "spicy" winter ale without actual spices. So bundle yourself up in an Ugly Sweater and have a happy holiday season! 30 IBUs, 6.5% ABV

The Oracle

Really, a quadrupel, but we like to call it a barleywine. A beer with a strong, malty character. The soft, round body releases notes of spices, dark fruits, caramelized malts, and fruits with soft touches of noble hops. A barleywine complex and drinkable. 10.7% ABV

————— Thank you —————

Can you believe it's been 15 years?! Thank you so much for your encouragement and support to get here! Specific 2015 appreciation to Kiersten Parigian for four months of meetings and strategizing. For the design of the 2015 ads, poster, t-shirt, signs and this colossal program, enormous kudos to Misty Gordon Creative. Thanks also to CR Goodman and our local distributors for receiving and delivering the pallets of beer, and Will Olson and his staff at the Vail Cascade for moving it all again. Homebrew competition gratitude to Ryan Thomas, Donna Geithman, Dottie Clapp and their supporting teams - and to Breckenridge Brewery for hosting & facilitating it all....and then to Tebo for driving it all up with 10 jockey boxes. Infinite thanks to Amy & Bill Phillips, Bob Plagens, Kellie Rubesne, Bridgette Geiger, Stephanie McKinnerney, John Landreman and a host of our annual volunteer staff for being here and making everything go smoothly today. Last, but certainly not least, our immense gratitude to all of the seminar presenters, breweries, and importers for their amazing products, time and expertise. It is to your credit that Big Beers continues to grow and flourish.

Cheers!
